

Position: Quality Assurance Manager

Info:

CCI is committed to providing quality services and support to our clients. As part of our dedication to excellence, we are seeking a talented Quality Assurance Manager.

This position will work Monday-Friday 2pm-10pm and will supervise and oversee the delivery of services at 6 locations. This position will work with staff to ensure support is followed and documented daily. This position will collaborate with management to address any areas of improvement or non-compliance.

This position offers an opportunity to make a meaningful impact by maintaining the highest standards of quality and compliance within our organization.

CCI offers a competitive salary and benefits package. For more information, please call Jamie at (605) 842-1708.
